Hi Andrea

I am a resident of the Town of Brookline and I was the co-petitioner of the Nicotine/Tobacco Free Generation Warrant Article that passed in 2020. I was trying to find the video or minutes for your meeting this past week to see the summary of the discussion for Belchertown. Do you know where I can find this or how I can get an update?
Are any of your other towns in the Quabbin health district considering this regulation?

I'm interested in seeing the movement gather momentum and how I can possibly help.

Thanks
Anthony
