Dear Members of the Board of Health - Good morning, I hope this email finds you well. I am writing on behalf of Cigar Rights of America (CRA) to formally submit our statement of opposition to the consideration of a proposed Generational Tobacco Ban.

Attached to this email, you will find our comprehensive statement outlining our concerns and objections regarding Generational Tobacco Bans. We believe that this type of proposed regulation has far-reaching implications for both our industry and the rights of adult consumers, and we are committed to advocating for a balanced approach that recognizes public health concerns while respecting the rights of adult citizens.

Please feel free to reach out to us if you require any further information. We appreciate the board of health's attention to this matter and their commitment to fair and informed decision-making.

Thank you for your time and consideration.

Sincerely,

Cody
