Dear Members of the Belchertown Select Board and Belchertown Board of Health,

Please find attached a letter from the New England Convenience Store and Energy Marketers Association (NECSEMA) with important information regarding a policy being circulated among various towns called *Nicotine Free Generation* and the proposed restrictions on nicotine pouches to adult-only facilities (AOFs). I encourage you to review the letter and reach out if you would like to discuss this matter in greater detail. Our goal is to help educate decisionmakers on all aspects of this policy before a decision to consider it has been determined.

Best Regards,
Peter
