Subject: Nicotine Free Generation Signs
To: "Andrea Crete" <acrete@belchertown.org>

Hi Andrea,

I was at Pride this morning and there were no signs up about NFG policies (dates). I asked an employee about it and they said, "well if they are turning 21 the next day, we still cannot sell to them." I then asked if she knew what NFG was and said no and called over another employee. That employee said he knew what it was and they can't sell to anyone born after 1/1/2004. But they seemed to be unclear, which leads me to believe they are probably still selling 21+. I will be doing the nicotine purchase survey checks soon, specific to NFG. In the meantime, do you have any signs that you can give to Pride? Kris
