What time is the Selectboard meeting on 11/4? I may be able to make the beginning of the meeting but I would not be able to stay long. I was planning on going to the BOH meeting.

I don't think I can get a letter to you by 5:00 today as I'm working all day and just seeing this request now, unless you literally just want an email stating I support NFG. Who would I address it to? Selectboard? Or BOH?

Good Afternoon BOAT Voting Members,

I will be representing BOAT next week at the Select Board and Board of Health Meetings regarding the passing of Nicotine Free Generation and will be submitting a letter of support from BOAT. I have attached some more information about what this entails. The Supreme Judicial Court is in support of NFG and has upheld Brookline, MA NFG regulations. The BOH will be making an educational presentation to the Select Board on Monday, Nov. 4 and on Wednesday, Nov. 6 BOAT and several other supporters will be attending the BOH meeting at the Town Hall. We encourage BOAT Voting Members to attend in support of NFG. Further, Andrea Crete and I are requesting that you, as individuals, write a letter of support also. This is a last minute request, but if you could email myself the letters by tomorrow at 5pm that would be great. If you have any questions, please let me know. Kris
