Hi Ken,
I will most likely not be able to attend in person this week. I will try to join remotely. I have received about 200 emails at this point from people asking to not support the recommendation. But only 2 have Belchertown addresses. I would love to know what our local business owners think. But not one of them has sent us an email- have you all heard from the local businesses or surveyed them?

If they are not concerned, or engaged, that seems like taciturn approval.

Thanks Ken.
Whitney

Whitney,

Thank you for your supporting words.

Might you be able to speak at the Public Hearing on Wednesday at 6:45 pm in the Town Hall Auditorium? It would be helpful to have a Select Board member.

Thanks again.

Good evening, Ken,

Thank you, and everyone, for coming tonight. I very much appreciated hearing from everyone. And though I understand my option does not matter, I have decided to support the board's decision to put forward the generational ban regulation. Good luck with the public forum and please let me know if I can be supportive.

Thank you Ken,
These notes are helpful. I've done a bit of my own research as well and I admit I have not yet solidified my position in the matter. I look forward to hearing from the BOH Monday.

Good morning, Whitney,

Kris Hoag and Andrea Crete are scheduled to appear before the Select Board on Monday to discuss the proposal to amend the Tobacco Sales Regulations. I have attached some notes on the subject.

I look forward to seeing you on Monday.

Best,

Ken
