Subject: Re: Tobacco Training

Hi Laura, I signed up for my membership. There was no fee asked for. I also signed up for the April 15th training. I will also sign up for the June training when it opens up for registration. Thanks, Rick

Good Morning – If you don't have a membership with MHOA please sign up for one. Once that is done you can sign up for the Tobacco Trainings. I saw 2 trainings that you might be interested in:

April 15th Model tobacco Sales Regulations

April 30th Retail Tobacco inspection Training

If they are seeking a payment when you sign up just print the invoice and I will put it in for payment. Any questions drop me a line. Have a good Monday!
