Dylan,

Excited to hear your Board is interested in the Nicotine Free Generation (NFG) policy. I am attached a recent guide, with sample regulations, to help local boards of health learn about and adopt the policy. I have also cc'd Maureen Buzby. Both of us are involved with a local ad-hoc group that can help testify at Board meeting/hearings and help answer any questions.

Subject: Recent Tobacco Ban

Good morning,

My name is Dylan Labonte, and I work as the Board of Health Agent for the Town of Bellingham MA. My board members and I heard about your recent tobacco ban barring anyone born after January 1, 2000, from purchasing tobacco and nicotine products from retailers in your municipality. We were interested in enacting a similar ban here in Bellingham, and I was curious to know if you might be able to send over a copy of your ban to reference as we begin our drafting process. I tried to navigate your Town site to find it myself, but to no avail.

Thank you very much for your help,

Dylan Labonte
