Subject: Tobacco Training

Good Morning - If you don't have a membership with MH0A please sign up for one. Once that is done you can sign up for the Tobacco Trainings. I saw 2 trainings that you might be interested in:
April 15th Model tobacco Sales Regulations
April 30th Retail Tobacco inspection Training
If they are seeking a payment when you sign up just print the invoice and I will put it in for payment. Any questions drop me a line. Have a good Monday!
