Hello Mr. Labonte! Sounds good. After the article number is called, I will say we have a brief presentation and then we'll go on to any discussion. TY, M

Hello Mr. Carr!

I hope this message finds you well. Maureen Buzby from the city of Melrose will be in attendance to assist us with answering any difficult questions regarding the new tobacco bylaw (Melrose and Brookline have been working closely, and I happened to hear back from Melrose first). Additionally, I have two short PowerPoint presentations for our two articles (19 and 20). Our tobacco agent, Rick Gilberti, will be presenting Article 19 and I plan to present for Article 20. Please, let me know if you need anything else from me before next Wednesday!

Thank you very much,

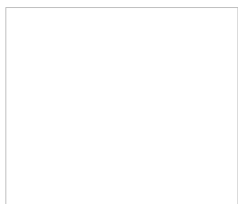

Dylan Labonte

Hello Michael, the Board of Health would like to have an official from Brookline assist them with their presentation of Article 19, "Tobacco Control". Brookline has passed a similar bylaw and the Board of Health felt it would be helpful to discuss their experience. Our Health Agent Dylan Labonte or the Board's Chairman Rick Gilberti will be making the request to you Wednesday night. Just wanted to give you a "heads up". Thank you, Denis.
