Hi Laura, if you get the time today can you print out the Tabacco training manual. Also the three docs for the Tabacco undercover policies. All the docs are attached to this email. I also signed up for more training on April 30, at 11 am. Thanks, Rick

Good Morning-Attached is a very informative package regarding the Tobacco Control Program. Rick is interested in the training to become a Tobacco Agent. We also need a few underage buyers. I have cc'd Sarah at the MHOA who can guide us along the way as to what we need to do to get started. Have a wonderful weekend!
