Nicotine Free Generation

Thursday, July 11, 2024 from 1pm to 2pm

Nicotine Free Generation replaces the minimum age sales law on tobacco and vape products. It provides that anyone who is 21 years of age or older on a designated date may continue purchasing nicotine products, but for anyone younger than 21 on that date and the municipality would be nicotine free now and forever. How did this groundbreaking policy come about in MA and what are the recommended steps if your municipality is interested?

Presenters: Chris Bantin, Program Manager and Senior Staff Attorney at the Public Health Advocacy Institute, and Maureen Maureen Buzby, Tobacco Prevention Coordinator for seven Mystic Valley municipalities

Free for MHOA members! \$25 for non-members.
