I can tell you he was paid \$50.00 per Tobacco Inspection and \$30.00 per compliance check. They were done approximately 2 x a year at his convenience. We have 27 active permits. He did attend Board meetings at certain times. The current Board may make changes to this as we have had the same system in place for years. I hope this gives you somewhat of an idea. If you have any questions drop me a line.
