Subject: Tobacco Agent

Good morning Cheryl,

I hope this message finds you well. I'm reaching out today because my board has requested that we begin the search for a new tobacco agent for the Town. I was hoping that you may be able to point us where we need to start our search, and how we can get qualified applicants that're familiar with MA tobacco regs, and require little to no training.

If you need anything more from me, please let me know. Thank you very much for your help!

Best,

Dylan Labonte
