Hello Rick,

Sarah has shared your request for a Ride Along Tobacco Inspection session. I'm happy to schedule a time to meet with you.

Currently I have the following dates available:

Wednesday, June 25th

Friday, June 27<sup>th</sup>

Wednesday, July 2<sup>nd</sup>

As Sarah stated, without an MOU in place, I would be a "fly on the wall" during the actual retailer inspections. You will be able to ask me questions, but I will not be interacting with the retailers directly. My suggestion is that we meet at the Board of Health office at 10 AM to review the materials you've prepared for the retailers and Bellingham's current local tobacco regulations before heading out for inspections.

Currently, Bellingham has 27 retailers listed in the POST database. Please print a list of retailers that have current tobacco permits so that we can check the accuracy of the database and you have an updated list to work from.

I look forward to hearing from you,  
KC Dufour
