LEGAL NOTICE

NOTICE OF PUBLIC HEARING Town of Dover Board of Health

Notice is hereby given pursuant to M.G.L. c. 111, § 31 that
the Dover Board of Health will hold a public hearing on
Monday, November 3, 2025, at 7 PM via Zoom. The Board
is proposing changes to:

Chapter 220 Smoking; Sale of Tobacco and Nicotine
Delivery Products

The Dover Board of Health proposes to adopt The
Nicotine-Free Generation policy, which would become
effective January 1, 2026, prohibiting the sale of tobacco
or e-cigarette products to individuals born on or after
January 1, 2005. The adopted policy language is as
follows: "Prohibition of Sales – No person, firm, corporation,
establishment, or agency shall sell tobacco or e-cigarette
products to anyone born on or after 1/1/2005."

The purpose of this amendment is to protect the health
of Dover residents by reducing youth access to tobacco
and nicotine products and preventing addiction in future
generations.

Any person wishing to be heard on the matter should appear
at the date and time listed above. The link to the meeting will
be provided on the Town website. Comments can also be
forwarded to BOH@doverma.gov prior to the hearing or you
can contact the office directly at 508-785-0032 ext. 232. A
copy of the proposed changes to the regulation can also be
obtained upon request.
