Subject Fwd: FOIA Request - Board of Health

Attachments FOIA-Request-Dover.pdf; image001.png

Hello Everyone,

I am writing to make you all aware that we received a FOIA request regarding our NFG initiative. Retrofit is able to pull a majority of the emails for us, but there's also a number of items on here that will require some legwork from each of us. Personal email as well as text messages on your work and personal phone are also subject to the request. The Town Clerk is going to get back to them with an official response so at this point I'm unsure of what our timeframe will be or if they are going to want to move forward with it given that it will require a fee. Just wanted to bring to your attention to give you time to start thinking about it and to start rounding up the requested materials. If you have any questions, please let me know.
