Hi Steve,

The minutes from May are not yet posted, but I have attached the draft. The motion is made under item #5. Here is the link to the recording of the [Board of Health Meeting](#). The motion is made when the video is 49 minutes in.

Let me know if there is anything else you need from me!

Suzanne,

Was there a vote on holding an actual public hearing on a generational tobacco ban? There may well have been, but could you please provide me a copy of the section of the approved minutes where it indicates such a vote occurred....Thank you

Hi Everyone,

I hope you are all having a fantastic summer so far! I wanted to see if any of you have an idea of what your schedule might look like in September, so we can begin to arrange for our tobacco hearing. Please reply to this email if you have any dates that work for you or do not work for you. I'll then be able to follow up with dates that might work for everybody.

I hope you all enjoy the rest of your summer. See you in September!
