No worries, Kay. I really enjoyed the meeting as well.  
I will take some time to go through the links you sent, and would be happy to reconnect on this with the team.  
Thanks  
TJ

Hi Ted,

I very much enjoyed meeting with you, Jason, and Gael at the picnic table at the Town House recently. I'm pleased that you're interested in working with the Board of Health. I've found that volunteering in local public health in Dover has been consistently interesting and that the staff is exceptionally capable.

You expressed an interest in the Nicotine Free Generation movement in Massachusetts and the draft regulation that our BOH plans to present at a hearing in September, so I've put together some links to background material for you. Later this summer, after you've had a chance to do some reading, it might make sense for the four of us to meet again.
