Subject Re: Greetings and Tobacco Public Health Policy Idea for Dover

Conway, Mass recently became the 17th town and Rockport will be having a hearing later this month. I saw that this was on the agenda for May. Can I be directed to where the video is so I can watch it?

Thanks
Anthony

Hi Suzanne, Kay, and Jason
Is there a video of the March 3 meeting that I can watch? This article (<https://hometownweekly.net/dover-sherborn/dover-residents-weigh-in-on-generational-ban-on-tobacco/>) mentions that there will be further discussion April 7. Also, Natick emailed me earlier for language and some more information as they have decided to move forward on implementing NFG. I can let you know when there will be another hearing.

Hi Anthony,

Thanks for getting that information to me, I appreciate it! I will include this page as the attachment for the minutes.

Our Board of Health meeting will be taking place this evening at 6:30 p.m. Here is the [link](#) for our agenda.

Thanks again!

Hi Suzanne,
That is the webpage I was referring to for the CDC stats. There are some literature reports

with slight tweaks (i.e. 95% underage or 99% under 25) but I think the page you referenced is best to use (hopefully it won't be taken down soon).

I've been periodically checking your website to see when the next meeting would be posted since I know the board meets on either of the first Mondays of the month. Will the agenda for the next meeting be posted soon?

Hi Anthony,

I hope you are doing well. I was wondering if it would be possible for you to share your source of information when discussing the CDC, more particularly the information related to 90-95% of users starting tobacco use before the age of 18. This is just for purposes of including it as an attachment for our meeting minutes.

I was able to find this [webpage](#) from the CDC with some related information, please let me know if this is the correct source of information. Thank you so much!

Have a great day

Just a brief update, we presented to the Natick BoH last week and they have an interest in moving forward. It would be nice to see both municipalities move in tandem since they border each other.

Hi Anthony,

I am happy to hear you will be joining us on February 3! Firstly, you will have 15-20 minutes to present on Endgame Tobacco. This would be the only item on the agenda for this meeting, aside from routine meeting procedures. This meeting will take place at 6:30 p.m. on February 3 via zoom; I will be sure to send you the invitation through this email address prior to the meeting.

If you have any other questions or concerns, please do not hesitate to reach out to me.

Have a great day!

Thanks for reaching out and sharing the materials, and thanks for doing the great work that you do!

Our board discussed the material in your attachments at our meeting on Monday, Jan 13. We decided that we'd like to have someone from your group talk to us at our February meeting if that would be possible. We meet on the first or second Monday of the month at 6:30 pm on Zoom. That would mean either February 3 or 10. Does either date sound feasible?

I've copied our admin, Suzanne Hilts, on this email. If you think that either date might work, she can work with you on the details.

Thanks again for reaching out.

Best regards,

Kay
