Dear Members of the Dover Town Council, and Dover Board of Health,

Please find attached a letter from the New England Convenience Store and Energy Marketers Association (NECSEMA) with important information regarding Nicotine Free Generation. I encourage you to review the letter and reach out if you would like to discuss this matter in greater detail. Our goal is to help educate decisionmakers on all aspects of this policy before a decision to consider it has been determined.

Please don't hesitate to contact me if you have any questions. Thank you.

Peter
