Model TST standing orders

DPH has released the 2026 edition of the model TST standing order for all local boards of health.

[View the standing orders for Tuberculin skin testing.](#)

Registered Sanitarian and Certified Health Officer renewal period open through Jan. 15!

Thank you to everyone who has already renewed their licenses! The renewal period for Registered Sanitarians (RS) and Certified Health Officers (CHO) runs through **January 15**. Please log into the [Health Professions Licensing Portal](#) to complete your renewal.

For questions or assistance, contact RS.CHO@mass.gov.

Special topic webinar: HIPAA

Join OLRH for a webinar focused on HIPAA, **Tuesday, Jan. 20**, from 3 - 4 p.m. You can access this webinar using the same link as the monthly webinar series. If you have not yet registered for this webinar series, use [this link](#).

Apply to host a Local Health Intern

Hosting a Local Health Intern is more than mentorship. It is added capacity for the public health work that matters most in your community. DPH invites you to submit a project proposal to host one or more public health student interns for Summer 2026, here are some [2025 Project Examples](#).

- **Application closes:** Friday, Feb. 6, 2026
- **Host notification:** Friday, Feb. 13, 2026
- **Internship period:** May 27 - Aug. 12, 2026

[Apply to host a Summer 2026 Local Health Intern](#) (Note: requires Google account- must be logged in)

Tier 2 dates released for food and housing

OLRH is excited to share Tier 2 dates for both the Massachusetts Retail Food and Housing Inspection Training Program for Spring 2026.

Housing

- May 6, from 8 a.m. - 3:30 p.m. (In-Person - Marlborough, Mass.)
- May 19, 20, & 21, from 8:30 a.m. - 12:30 p.m. (Virtual)

Food

- June 2, 3, & 4, from 8:30 a.m. - 12:30 p.m. (Virtual)
- June 9 & 10, from 8 a.m. – 3:30 p.m. (In-person - Marlborough, Mass.)

To qualify for Tier 2, you must be registered for Tier 1 ([food](#) and [housing](#)) on TRAIN and have **completed all Tier 1 coursework by Jan. 31, 2026**. All qualified participants will be contacted by email with instructions on how to enroll in Tier 2 in **February**.

Reinforce hand hygiene this season

A surge in influenza underscores the urgent need for stronger infection-prevention practices. A new resource, [Hand Hygiene Training Activities and Resources](#), equips local health departments with ready-to-use presentations, demonstrations, audit tools, and aids that reinforce proper technique, support compliance monitoring, and energize infection-prevention engagement.

Massachusetts Public Health Nurse Resource Library now live

The Local Public Health Nurse Consultant Program recently published the [Public Health Nurse Resource Library](#) on Padlet. This page is a compilation of resources to support you and your work, organized by topic, including resources for maternal-child health, vaccination, public health nurse practice, and more! Email lpnhc-program@umass.edu with any feedback or questions.

Color satisfaction survey

The DPH Immunization Division's annual Color satisfaction survey asks all Color users to provide their feedback on day-to-day clinic operations within Color, training on the platform, experiences with DPH and Color support teams, and new feature rollouts. **Please take 10 minutes to [complete the survey](#) by Friday, Jan. 30.**

[Back to top](#)

January webinar

This month's topics included an update on pediatric vaccine schedules, the Local Health Internship Program, flavored tobacco guidance, [SAPHE 2.0](#) reporting, [Connect351](#) conference, and more.

[View slides](#), [answers to questions](#) asked during the webinar, and [related resources](#).

We want to hear from you!

We value your input and welcome your suggestions for future webinar topics - please email us at localregionalpublichealth@mass.gov.

Need to register?

- If you have **not yet registered** for this webinar series, [use this link](#).
- Please note this is a recurring event. **You only need to register once.**
- After registering, you will receive a confirmation email from Zoom with your unique link to attend the webinar and import the events into your calendar ([how-to guide](#)).

Accessibility

We want to ensure that our webinar is accessible to our audience. If you need accommodations, such as American Sign Language (ASL) or Closed Caption, please email us at localregionalpublichealth@mass.gov.

Resilient, Innovative, Safe, Empowered (RISE) funding to advance community safety

With support from the Centers for Disease Control and Prevention (CDC), the National Association of County and City Health Officials (NACCHO) is working to strengthen local efforts to prevent youth and community violence.

Apply by Wednesday, Jan. 14

[Learn more and apply here](#)

Apply for the Municipal Master Services Agreement (MSA) RFR

The purpose of this [Request for Responses \(RFR\)](#) is to establish a pre-qualified list of approved vendors, namely **local and regional public health entities**, to be eligible for potential to receive future funding from the Department of Public Health (DPH).

All municipalities and/or regional health districts are strongly encouraged to apply as many future DPH grants will be distributed through this municipal master services agreement (MSA). **NOTE:** PHE lead grantees are already in the MSA and do not need to apply.

[Visit the RFR posting](#) for the application and Confidentiality Agreement (can be found in the REQ zip file on COMMBUYS). Please return the completed forms to Brian.W.Sheehan@mass.gov along with any other questions.
