Hi Anthony,

I hope you had a great weekend! I wanted to follow up with you to ensure that you are attending our meeting next Monday, February 3 at 6:30 p.m. Prior to meetings, I have to submit an agenda by Thursday so the meeting can be posted, I wanted to be sure you will be joining us before doing so. Please let me know if anything has changed or if you have any questions.

Thank you

Hi Anthony,

I am happy to hear you will be joining us on February 3! Firstly, you will have 15-20 minutes to present on Endgame Tobacco. This would be the only item on the agenda for this meeting, aside from routine meeting procedures. This meeting will take place at 6:30 p.m. on February 3 via zoom; I will be sure to send you the invitation through this email address prior to the meeting.

If you have any other questions or concerns, please do not hesitate to reach out to me.

Have a great day!

Thanks for the
opportunity Kay,

Can I be scheduled for February 3? Please let me know how much time I will have and when will the topic appear on the agenda. Also, do you and the board need model language?

Thanks,
Anthony

Hi Anthony,

Thanks for reaching out and sharing the materials, and thanks for doing the great work that you do!

Our board discussed the material in your attachments at our meeting on Monday, Jan 13. We decided that we'd like to have someone from your group talk to us at our February meeting if that would be possible. We meet on the first or second Monday of the month at 6:30 pm on Zoom. That would mean either February 3 or 10. Does either date sound feasible?

I've copied our admin, Suzanne Hilts, on this email. If you think that either date might work, she can work with you on the details.

Thanks again for reaching out.

Best regards,

Kay
