Hello,

I hope all is well and you had a lovely weekend! Attached, you will find a draft of the strategic plan. Please review this and provide feedback via email, comments, phone call, or whatever is easiest for you, ahead of our meeting on Thursday, May 29th. Our conversation on May 29th will be the LAST opportunity to provide feedback, edits, and comments.

For everyone's awareness, I have sent this to the entire advisory board and the shared services staff to review simultaneously. I will incorporate all edits I receive before the meeting May 29th to discuss together.

I look forward to hearing from you all, please let me know if you have any questions!
