Job Opportunity

Department of Public Health
Director of the Massachusetts Tobacco Cessation and Prevention Program (MTCP)

The Massachusetts Department of Public Health (DPH) is seeking an experienced public health professional to join the leadership team within the Bureau of Community Health and Prevention (BCHAP) to serve as Director of the Massachusetts Tobacco Cessation and Prevention Program (MTCP). Massachusetts has long been a national leader in tobacco cessation and prevention, most recently becoming the first in the nation to restrict flavored tobacco products, including mint and menthol. DPH is looking for a dynamic and visionary leader to continue championing strategies to counter tobacco industry tactics and reduce the health and economic burden of tobacco in the Commonwealth.

Massachusetts Statewide Opioid Settlement Funds- AGO/DPH Virtual Forum

The Attorney General's Office and the Department of Public Health's Bureau of Substance Addiction Services and Office of Local and Regional Health will hold a virtual forum about the statewide opioid settlements on **Tuesday, March 7 at 3:00 - 4:30 PM ET**.

The forum will provide information about five new proposed settlements with Allergan, Teva, Walmart, CVS, and Walgreens, including information on what municipalities need to do to sign on to these settlements by the April 18, 2023, deadline.

Attendees will learn about the settlement participation process, details about the abatement funds that will be available to participating municipalities from these new settlements, and strategies for community engagement in the use of opioid settlement funds. There will also be an opportunity to ask questions.

We invite municipalities, local health boards, community organizations and the public to attend this forum.
