Hello,

Can you please add this to your list? I need some help with the tobacco regulation updates. You will need to:

- Work with Sophia or Maxy to get an attested copy of the changes sent to Mass DEP
- Work with the Town Clerk to get a copy of the updates to the ecode360 people
- Make sure our two retailers get updated signage. I already talked to Maxy and she is already working on putting something together.

Thank you for the assistance. I attached our most up to date draft changes, make sure to look it over one last time just in case.
