Subject NFG Draft
Attachments DRAFT-ONLY-4-11-25-Dover-Tobacco-Amendments-NFG-1.docx

All,

Here is what I have drafted so far on proposed tobacco regulation amendments. As a reminder, we will be holding a hearing before moving forward on anything. At Monday's meeting we can set a date for it; which would likely be sometime in June. Please take a look over it as soon as you can so I can make edits and share with Town Counsel for their review. Thank you.
