Mike,

I am strongly opposed to this "generational tobacco" local initiative and have voted against it each time it has been brought up at a Board of Health meeting in the last few months. I would like an opportunity to speak with you regarding this issue. Please tell me when you have time to do so.

Good morning,

Please let me know if you have any feedback on our NFG publication. I would like to get it to the newspaper at the beginning of next week so we can make it in their next few editions of Hometown. I also attached a clean version of the proposed changes. Thank you.
