Good Morning Edward,

Please see the attached in relation to Claim No. M22PR514129. A check in the amount of \$50,000 was issued to the Town of Dover on November 8, 2023. Per the Police Chief at that time, the check was held and not cashed. Please review and advise on how we should proceed. If a phone call or Zoom meeting would be helpful, please let me know.

Thank you,

Michael Blanchard

Good Morning - attached is a statement from Capone Communications regarding his equipment being struck by lightning and damaged. I am not familiar with this, but Chief McGowan told me that the Town filed with insurance and that they have agreed to pay \$50,000.00. I am hoping that you can reach out and deal with Mr. Capone about this possible settlement. Thanks - Todd

Hello All,

Here are the Statements that will be coming into effect on 11/23. We want to save you guys the interest charges. This stems from the October 2022 lightning strike on the AB-1309 tower trailer.

Give me a call if you have any questions.
