Attachments PermitEyes-Preliminary-Cost-Proposal-for-Town-of-Dover-MA-1-22-25.pdf

Chris,

I'm following up on Keith's email below regarding a cost proposal for Full Circle Technologies ePermitting software. Can you let me know where things stand with respect to selecting a vendor? Certainly, if you have any questions or need additional information regarding the cost proposal, I'd be happy to schedule a call with you and Full Circle Technologies.

Regards,

Pam

Hi Chris,

Thank you again for your time, and that of your colleagues in the various Town departments.

Please find the **attached PDF which constitutes our preliminary cost proposal under ITS75 (State contract for software)**

We have listed many of the modules which are currently in use in MA, and this should serve as a good example of what a "full suite" of PermitEyes can look like.

Not all communities start with everything at once, so there is also room to begin with implementing certain key modules (e.g. Bldg, BOH) and add more over time. PermitEyes pricing is also modular, to allow for communities to best tailor the platform to immediate need, budget, and priority.

We have taken the liberty of providing some information regarding PermitEyes, how it works etc, on Pg. 3 - 10. Pricing is detailed on Pg. 11 - 19.

Please let us know if you have any questions about this document, the modules, or the implementation process. Thank you again for this opportunity and we hope to hear back from you soon as you continue your procurement process,
-Keith

Good afternoon Chris,

Keith and I wanted to thank you and your colleagues for your time today: it was much appreciated!

As had been requested, I have attached a screenshot of the slide which shows some of our activities this past 18 months or so.

We will also be providing pricing for the various PermitEyes modules by this time next week.

In the meantime, pls feel free to reach out with any questions or follow up requests.

Thank you.

Heil
The
re,

Our town is beginning the process of acquiring online permitting software for our community development departments. I am reaching out to set up a demonstration to learn more about the options you offer.

Your product comes recommended to us by several other communities in Massachusetts.

Thanks,

Christopher
Costello

Assistant Town Administrator
Town of Dover
