Good morning,

I hope you had a good weekend! I'm happy to take care of the agenda today. I'm assuming this is it- Camp Grossman, I/A System non-compliance?, deed restriction modification, NFG update, budget, shared services update, nurse report

Also, I finished the minutes, these are them if you want to look them over. Maxy also just looked them over. If you think they're okay I'll send them over to the Board.

Good morning,

Totally forgot you are out tomorrow so let's take care of the agenda today when you have time. It's a short easy one, you can grab my sloppy notes right off my desk on the left hand side. Thank you.
