Subject Re: NFG Draft

Have we even had a vote on creating a draft?

All,

Here is what I have drafted so far on proposed tobacco regulation amendments. As a reminder, we will be holding a hearing before moving forward on anything. At Monday's meeting we can set a date for it; which would likely be sometime in June. Please take a look over it as soon as you can so I can make edits and share with Town Counsel for their review. Thank you.
