Jason,

Any recent examples of emails in favor of a tobacco control measure?

Members of the Dover Board of Health,

We continue to oppose the nicotine free generation policy as a dangerous government overreach that will not produce any public health benefits. Attached please find written testimony in opposition. If you have any questions prior to (or after) the discussion, please don't hesitate to contact me. I'll try to be on the zoom tonight but might be at the mercy of the little league schedule. Thank you.

Peter
