MassDEP Drinking Water Program is hosting an important FREE training related to the Emerging Contaminants in Small or Disadvantaged Communities (EC-SDC) Grant. This training will cover the following topics: a brief history of PFAS, the EPA regulatory schedule, Federal PFAS standards, EC-SDC Grant qualifications, available financial and technical assistance, and the grant application process. There will be an open forum/Q&A session at the end of the training.

Visit the MassDEP Drinking Water Program's [Emerging Contaminants in Small or Disadvantaged Communities Grant](#) page for more information about the grant program.

To learn more about the communities that have received these grants, visit MassDEP's [EC-SDC Grants Map](#).

The training portion of this webinar will be recorded and available on the MassDEP YouTube channel for later viewing. We strongly encourage all interested PWS personnel, including operators, and authorized representatives to attend. **Certified operators can earn 1 TCH by participating in the training.** Registration is required and each attendee must register individually.

Before the training, please be sure to review the attached [guidelines of attendee participation](#) for earning TCHs.
