Upcoming Online Workshops for Drinking Water Utilities in Massachusetts, Rhode Island, and Connecticut

**These are virtual workshops offered through the GoToTraining platform.
There is no cost to attend.**

**These classes are accredited for Drinking Water Operators in
Massachusetts, Rhode Island, and Connecticut.**

**Safe Drinking
Water Act &
Regulatory
Overview**

Wed, July 9, 2025

9:00 AM - 12:00 PM

This workshop provides an overview of the Safe Drinking Water Act (SDWA) and the regulatory backdrop that impacts public water systems. Regulatory history covers many aspects of why rules are in place and how they have improved the way we provide quality drinking water. This course will cover regulatory history, and current and recent changes to drinking water regulations. This training is also for potential water operators, managers, and board members.

**Approved for 3 TCHs for Drinking
Water Operators in MA, CT, and RI**

**Management &
Finances for Small
Water Systems**

Wed, July 23, 2025

9:00 AM - 12:00 PM

Your system faces day-to-day challenges providing reliable service for your customers. Management and finances are important for small systems to operate correctly. This course will cover management areas, asset management and hydrants, emerging contaminant impacts, budgets and benefits of having reserves, and rate setting tools. This training is also for potential water operations, managers, and board members.
