Subject Synergy Newsletter – April 2023

April 2023

Issue #2

Dear friends,

Spring is here, and with it comes another edition of *Synergy*, our quarterly newsletter about our organizational culture and recruitment efforts. As a reminder, this publication is released to compliment [The Community Connection](#), which focuses on updates regarding our programs and services.

This past quarter, we've been hard at work furthering our organizational development efforts. We held an instrumental meeting with our senior staff which laid the groundwork for an eventual strategic plan – you can read more about this and more below.

As always, we hope you'll enjoying learning about our organization and the people who are a part of it. If you're looking to start a new career and want to join a caring and supportive community focused on a brighter future, we may be the employer for you!

Sincerely,

Brian D. Scales, President & CEO
