Good afternoon,

I'll forward the request to our ads team and will send back a proof as soon as possible. The next two editions would be the October 23rd and October 30th editions, is this alright for the two weeks? Thank you.

Best,
Emma

Hello,

Hope you are doing well. Would you be able to help us out with a posting in the next few editions of the paper? We are advertising a hearing and would like to have it in the next two editions if we can. Thanks so much for your

help.
