Hi Jason,

I've updated the town report to include accurate numbers on deer and dog bites/quarantined animals. Here's a copy of the new draft with the completed data. Please let me know if there is anything I can improve. Thank you!

Hi Jason,

Here's a copy of the draft. I'm still waiting on deer numbers from Jim and confirmation about quarantined animal numbers. I added a short section about online permitting but was unsure about the financial aspect. I'm happy to edit as needed. Thank you, and happy new year!

Steve,

Maxy is going to share the draft with me today. I will be sure we include something about it. I'll give you an

opportunity to tailor it if you'd like. Thank you!

Jason,

I do hope you've included a paragraph in the BOH's section of the 2025 Dover Town Report that describes both the BOH's enabling financial contribution to the town's On-Line Permitting project as well as your own leadership contribution for this initiative. If you wish editing of the paragraph you write on this subject, I'd be glad to comment.
