Hi all -

PLEASE NOTE: BOARD OF HEALTH MEMBERS OF THE ADVISORY BOARD ARE BLIND COPIED TO AVOID POTENTIAL FOR OPEN MEETING LAW VIOLATIONS.

I am sending the agenda for our virtual meeting this Thursday July 18 @9:00 AM. Zoom link is included in the agenda.

I'm also including the draft minutes for our June 20 meeting for your review.

I will have a power point presentation of the FY 25 workplan ready later this week and will send in advance of the meeting.

I also am working with BME Strategies to have a copy of their presentation available prior to the meeting.

Please let me know if you have questions or comments about either attachment.

Take extra care during the extreme heat this week!

best,
kerry

A meeting helps every individual understand both the collective aim of the group and the way in which his own and everyone else's work can contribute to the group's success. A meeting is the place where the group revises, updates, and adds to what it knows as a group. -Antony Jay
