Special Webinar Added on 8/27: Arbovirus Season Update

Join OLRH and Dr. Katie Brown next Tuesday, Aug. 27, from 3 - 4 p.m. for an arbovirus season update. To attend, join using the link you normally use to access the monthly webinar. If you have not yet registered for the monthly webinar series, you can [register](#) at any time. Arbovirus resources can be found [here](#).

Housing and Food Inspection Courses Added

Housing and MA PHIT Food, are designed for local public health professionals charged with

August Webinar

prepares public health professionals with in-depth knowledge of the food and housing inspection process before their Tier 3 - Applied Practice led by HUB trainers. [Learn more and apply here](#)

Reminder: Registered Sanitarian (I) Renewals Open

The renewal period for Registered Sanitarians (I) is now open for 2024, and will run through Jan. 15, 2025. Please visit the Health Professions Licensing Portal at <https://hpl.portal.state.ma.us/> to renew. [View slides](#) from the webinar, [answers to questions](#) asked during the webinar, and [related resources](#).

Each month, the Office of Local and Regional Health provides webinars on various topics relevant to local public health. The hour-long webinars are held from 3 to 4 p.m. This month's topics included an update on Steward Health Care, COVID-19 test kits, OLRH communication updates, and a Foundational Public Health Services (FPHS) update.

We Want to Hear From You!

Submit your questions and recommended topics for the next monthly webinar, on **Tuesday, Sept. 10**, to us via email to localregionalpublichealth@mass.gov by **Wednesday, Sept. 4**. We value your input and welcome your suggestions for future webinar topics.

How to Register

- * If you have **not yet registered** for this webinar series, use this link: https://us06web.zoom.us/webinar/register/WN_A8RODgLL2QtabJJqdNTpV1g
- * Please note this is a recurring event. **You only need to register once.**
- * After registering, you will receive a confirmation email from Zoom with your unique link to attend the webinar and import the events into your calendar ([how-to guide](#)).

Accessibility

We want to ensure that our webinar is accessible to our audience. If you need accommodations, such as American Sign Language (ASL) or Closed Caption, please email us at localregionalpublichealth@mass.gov.

Massachusetts Local Public Health Training Program Tier II: Housing and Food Inspection Courses Added

The Local Public Health Training Program - [Housing and Food Tier 2](#), formerly known as MA PHIT Housing and MA PHIT Food, are designed for local public health professionals charged with enforcing housing and food-related laws and regulations. This 4-day hybrid training program prepares public health professionals with in-depth knowledge of the food and housing inspection process before their Tier 3 - Applied Practice led by HUB trainers.

Please ensure you have completed Tier I coursework in advance of registering for these sessions: [Food](#) TRAIN MA Learning Plan and/or [Housing](#) TRAIN MA Learning Plan.

Application Deadline: Monday, Sept. 16, at 11 p.m.

Applicants Notified by: Week of Sept. 30

FREE

[Click Here](#) to apply. *Please apply using your email address linked to TRAIN MA. If you don't have a TRAIN MA account, [follow our instructions](#) on how to set up an account.*

New Approaches to Vaccine Communications

Each fall and winter season, public health professionals help their communities make informed decisions about vaccines through compelling and timely messages. This webinar will introduce newly tested messages to encourage routine and recommended vaccinations for children and adults. Attendees will access new messaging approaches that can inspire openness and curiosity about vaccines.

Monday, Aug. 26

Advance Registration Open Now

The conference will take place **November 13 - 15** at the MassMutual Center in Springfield, Mass. Visit [MHOA Conference 2024](#) for all the details, including hotel information, keynote speakers, agenda, exhibitors, sponsors, and more. The site will be updated as more details are finalized.

Take advantage of Advance Registration running until **Friday, Sept. 6!** To register a group of people on one invoice, please send a list of names, email addresses, food allergies for each person, and a point of contact for follow up to lpacella@mhoa.com.

MHOA: Food Safety and Emergency Response

Following a disaster event, public health officials must take action to ensure food safety in their communities. Learn about the practical guidance to plan and respond to emergencies that create the potential for foodborne illnesses. At the end of this session, participants will be able to:

- * Explain the role of public health in ensuring food safety after an emergency event
- * Describe food safety preparedness
- * Assess food safety and considerations to reopen a food establishment

Thursday, Sept. 19

10 a.m. - 12 p.m.

Wedgewood Pines Country Club, Stow, Mass.

CEUs available: 2.2 CHO/CPH, RS/REHS

DPH: Annual Stakeholder Listening Sessions (SLS)

The Massachusetts Department of Public Health Office of Problem Gambling Services (OPGS) is excited to announce its eighth **Annual Stakeholder Listening Sessions (SLS)!**

These sessions are held to promote equity by centering community voice to inform problem gambling data, programs, and services. Since 2016, the OPGS has **engaged over 2,000 residents** to inform **over 23 initiatives**. This year's theme will be **youth gambling**, and the session will be held virtually via Zoom. Please register and spread the word!

Springfield, Mass.

Thursday, Oct. 3

10:30 a.m. - 12 p.m.

[Register to attend](#)

Community Listening Sessions

In addition to the Stakeholder Listening Sessions, the Community Listening Session (CLS) serves as a dedicated space for residents to discuss the impacts of problem gambling and related issues on their communities. Register for the [English session](#) and register for the [Spanish session](#).

Register for the 2024 Yankee Conference

The Yankee Conference on Environmental Health is back for 2024! This year the conference is

Northeast Food and Drug Officials Association's (NEFDOA) Retail Food Protection Seminar

Registration is now open for the Northeast Food and Drug Officials Association's (NEFDOA) Retail Food Protection Seminar, hosted in partnership with the U.S. Food and Drug Administration.

The seminar will take place **November 13-15** in Burlington, Vt.

[View the agenda](#) and [register](#).

Two New National Certifications for Tobacco Treatment Providers

Two national certifications are now available to professionals specializing in nicotine and tobacco dependence assessment and treatment. These certifications **promote national standards** for evidence-based treatment and acknowledge the value that tobacco treatment experts provide. The two certifications are listed below, and you can visit the website of each for more information.

- * **American Heart Association: Certified Professional in Tobacco Treatment**
 - * Professional education hub help: (877) 340-9899 or intelligo.help@intelligohub.org
 - * For requirements and more information: www.heart.org/tobacco-treatment
- * **NAADAC, Association for Addiction Professionals: National Certification in Nicotine and Tobacco Treatment (NCNTT)**
 - * For requirements and more information: www.naadac.org/ncntt

NACCHO: New Communications Planning Guide

A new [Communications Planning Guide for Local Health Departments](#) has been designed for local health department staff who are tasked with communicating specific messages to the public or segments of the public. The guide provides a basic framework to use, including questions to consider when developing communications and evaluation strategies. It also includes considerations for how local health department professionals can incorporate health equity, social justice, and accessibility considerations, including health literacy, into their work.

Just Launched: FREE Training from the Public Health Communications Collaborative Academy

The Public Health Communications Collaborative (PHCC) Academy is a new training hub to support public health communicators around the country. Join us for The PHCC Academy's first course, *Strengthening Public Health Communications through Community Engagement*. [Learn more](#) and [register online](#).

Apply for the Municipal Master Services Agreement (MSA) RFR

The purpose of this [Request for Responses \(RFR\)](#) is to establish a pre-qualified list of approved vendors, namely **local and regional public health entities**, to be eligible for potential to receive future funding from the Department of Public Health (DPH).

All municipalities and/or regional health districts are strongly encouraged to apply as many future DPH grants will be distributed through this municipal master services agreement (MSA). **NOTE:** PHE lead grantees are already in the MSA and do not need to apply.

[Visit the RFR posting](#) for the application and Confidentiality Agreement (can be found in the REQ zip file on COMMBUYS). Please return the completed forms to Brian.W.Sheehan@mass.gov along with any other questions.
