Good afternoon,

Thank you for your interest in the Call/Volunteer Recruit Firefighter Training Program. This email is to inform you that you have been placed on the waitlist.

In order to be accepted into the program, you shall agree to the following terms:

- a. You agree to attend the Adobe Connect virtual orientation and the Recruit Orientation Class before the start of the program.
- b. You will be immediately available to join the program on short notice and in attendance for the first scheduled class should a vacancy happen and an opening exists before the first day of class following the orientation.

In this packet, you will find instructions on how to order the textbooks required for this class. You don't have to purchase them until you get notified that you will be in the class.

If you are interested in staying on the waitlist, please reply to the email that you received with this letter attached with your name and the location of the class you are on the waitlist for.

The standby list expires on training day 1.

Everything you need to start this class, should you get in, is in this packet.

If you have any questions or concerns, please do not hesitate to reach out.

Thank you,
