Firefighters receive Dover Fire Department Guidelines and a copy of the Town of Dover personnel Rules and Regulations, which they are required to sign using the acknowledgment form included in those regulations.

EMTS receive Dover Ambulance Operations Manual and a copy of the Town of Dover Personnel Rules and Regulations, which they are required to sign using the acknowledgment form included in those regulations.

Firefighters/EMTs receive both.

I shall scan the Town of Dover Rules and Regulations and send it over to you.

Email or call if you have any questions.
