Subject Policy & Operations Manual 1/6/25 revision

Attachments Dover-FD-Policy-Operations-Manual-FINAL-1-6-25.pdf; Policy-Ops-Manual-Receipt-Form-1-6-25.pdf

Hi All,

I attached the updated Policy & Operations Manual that the Board of Fire Engineers approved at their January 6th meeting.

I also included a digital copy of the receipt form that you can complete electronically and send back to me. I believe you have to download the receipt form and open it in a .pdf program to complete the digital signature, otherwise you can print, complete, and scan it. I will also have hard copies at the station. Please complete this as soon as convenient.

A hard copy of the manual will be kept in the watch room for review. If anyone requires an individual hard copy of the manual please let me know.

Thanks.
