COMMUNITY OFFICE HOURS

This series provides a virtual space to share information that expands community knowledge and capacity, and to build relationships with BSAS and across Massachusetts

Monday, August 25
10am-12pm
Mass Cultural Council

[Register for Zoom meeting here](#)

The Mass Cultural Council, together with partners Art Pharmacy, launched the first statewide system of arts prescriptions in the United States in 2024. In collaboration with more than 450 cultural organizations, Art Pharmacy now provides arts experiences as part of patient treatment plans through funding opioid abatement settlements, DPH, and two health insurance plans.

MCC will present data relating to the impact of arts experiences on mental health and social isolation, and discuss the potential of the arts as a part of patient support across the Commonwealth.
