

Class-116-Student-Schedule-rev1-Stow.xls

TIMES	TD	Self-Study	Remote Learning	Practical
1800-1900	0		Adobe Connect Overview	
1830-2200	1A			Orientation. Log in to IFSTA website, review schedule, gear checks, tour of facility
1830-2200	2A	Chapter 1 Intro to Fire Service & FF Safety & Chapter 19 Incident Scene Operations	Cancer in the Fire Service Lecture	
1830-2200	3A		Chapter 5 PPE lecture	
0800-1600	4A			Certification lecture & sign up , Gear set up, roll call formation, assign accountability numbers, medical backgrounds, PPE donning (entire class together), SCBA familiarization (entire class), SCBA coat donning, SCBA overhead donning, SCBA inspection
1830-2200	5A		Chapter 11 Tactical Ventilation & Chap. 4 Fire Dynamics	
1800-2200	6A			OLR 1
0800-1600	7A			Exam #1 (Chapters 1, 4, 5, 11, 19). PPE Donning, SCBA donning, SCBA inspection, cylinder change
1800-2200	8A			OLR 1
1800-2200	9A			OLR 2
0800-1600	10A			OLR 2 Lecture. PPE Donning, SCBA donning, SCBA inspection, cylinder change
1830-2200	11A			PPE donning, SCBA donning, cylinder change, SCBA inspection
1830-2200	12A			Program grading of PPE donning, SCBA donning, check off cylinder change & SCBA inspection
0800-1630	13A			OLR 3
1830-2200				Study night
1830-2200	14A			OLR certification exam
1830-2200	15A		Chapter 12 Fire Hose & Chapter 13 Hose Operations & Hose Streams	
0800-1600	16A			Hose loads, hose rolls & drains/carries, hose deployment from engine, hose handling / nozzle operations dumpster fires, hydrant operations

TIMES	TD	Self-Study	Remote Learning	Practical
1830-2200	17A		Chapters 3 & 16 Building Construction	
1830-2200	18A		Chapter 14-Fire Suppression Lecture & drafting lecture	
0800-1600	19A			Exam #2 (chapters 3, 12, 13, 14, 16); After exam - 1/2 class does Flow path prop house other 1/2 class does nozzle theory and ground cover fires, Nature of fire, reverse vent & hydraulic ventilation
0800-1600	20A			MPO Lecture; Roof opening prop, hose deployment from engine, hydrant operations, drafting, MPO (charging preconnect with tank water)
1830-2200	21A		Chapter 10 Structural Search & Rescue, Photovoltaic systems (supplemental)	
1830-2200	22A			Hose handling in the burn building & hydraulic ventilation-hose 1
0800-1200	23A			Hose handling in the burn building & hydraulic ventilation- hose 1
0800-1600	24A	Chapter 20 Fire Origin & Cause Determination		Combination Attack (at grade, above grade)
1830-2200			Chapter 8 ground ladders, Thermal Imaging Camera Lecture (supplemental)	
0800-1600	26A			Primary search, Thermal imaging camera review and practical, 16' carries & throws, 2 FF low shoulder carry & flat raise, standpipe operations, MPO (changeover from tank water to pressurized water source)
1830-2200	28A	Chapter 6 Portable extinguishers & Chapter 18 Foam Fire Fighting, Liquid Fires, and gas fires		16' carries and throws, 2 FF low shoulder carry into a flat raise, 1 FF 24' carry & raise for rescue, primary search with victims +webbing drag

TIMES	TD	Self-Study	Remote Learning	Practical
0800-1600	30A			Drafting with a bag, 16' carries and throws, 2FF low shoulder carry into a flat raise perpendicular raise, 1 FF 24' carry & raise for rescue, 2 FF beam raises, Ground ladder & aerial ladder climb at end of class (60 degrees @ 75' to tower)
0800-1600	31A			Lecture- EV fires & VEIS, Exterior fire attack- car fires, Rescue over ladders, extinguishers, master streams & foam, VEIS
1830-2200	32A			Exam #3 (Chapters 6, 8, 10, 18, 20),& Lecture Chapter 7 ropes & knots
1830-2200	33A			3 FF 35' carry & throw, 24' 1 FF carry & raise, 2 FF Beam Raise, 16' ladder & leg lock
0800-1600	34A			Flashover lecture & Practical
1830-2200	35A	Chapter 15 Overhaul, Property conservation & scene preservation		Salvage & overhaul practicals, ropes/knots/tying & hauling, primary search with a TIC & victims
1830-2200	36A			Ropes & knots, maze trailer, Program Grading Primary search, Grade 16' carries & throws & leg lock
0800-1600	37A			Chapter 9- Forcible Entry Lecture , Forcible entry trailer, friction force door, power equipment review, roof transition
1830-2200	38A		Chapter 22 Community Risk Reduction / McNamara Lecture	
1830-2200	39A			35' 3 FF carry & throw, ropes/knots/tying & hauling, 2 FF beam raise, 1 FF 24' carry & throw- climb with tools & leg lock
0800-1600	40A			Chapter 17 Lecture Vehicle Extrication & practical, air bags/lifting, fire safety presentations
1830-2200	41A			Ropes & knots practical, 1 FF 24' ladders carries & throws, 2 FF flat raise, 2 FF beam raise
1830-2200	42A			Exam #4 (Chapters 7, 9, 15, 17, 22), Practical make ups as needed
0800-1600	43A	Chapter 2 Communications		Ground Ladder climb & aerial climb #2 (with SCBA), Transitional fire attack lecture & practical (above grade fires)
