Alcohol Policy and Use in 2023: An Update

Date: January 10, 2023

Time: 12:00 PM—1:00 PM EST

The alcohol marketplace is changing quickly, from direct shipment and third-party delivery services to cocktails to-go and curbside pickup, requiring enforcement, prevention, and public health stakeholders to react with creative solutions and strategies to regulate and enforce this new environment. This webinar will review the current alcohol policy landscape and alcohol consumption trends and how both have changed during the Covid-19 pandemic and discuss effective strategies that work to prevent alcohol-related harm with a spotlight on one state's efforts to track and monitor the alcohol home delivery environment.

Speakers:

- * Cassandra Tourre, Director of Public Policy, NABCA
- * Sara Cooley Broschart, Director, Center for Advancing Alcohol Science to Practice
- * Kate Frey, Vice President of Advocacy, New Futures, Inc.
