Dear CRPH Advisory Board –

I am attaching a 2-page summary of the FY 26 Workplan options. This was created by a shared services coordinator from another collaborative. In the spirit of shared services, she shared with all the other coordinators! I'm grateful and think this be very useful for our workplan discussions.

Best,

Kerry

Subject: Agenda and material for Charles River Advisory Board meeting tomorrow Tuesday 5/27/2025 at 9:00 AM

Good afternoon –

I hope you all have been able to enjoy a pleasant holiday weekend.

I'm sending the agenda for tomorrow's meeting along with a draft release of the Office of Local and Regional Health FY 26 Workplan requirements and suggestions. I will review this, along with a draft FY 26 budget during the second half of our meeting tomorrow.

Our meeting begins with a presentation from Manizeh Afridi (BME Strategies) on the combined results for the Foundational Public Health Services financial and service tools. Also joining us will be Jessica Ferland and Cassandra Anderson from OLRH.

I have nine sets of minutes for your review and approval. I will send those tomorrow afternoon so that members may review at their comparative leisure.

See you tomorrow morning!

Best,

Kerry
