Subject Policy and Operations Manual (SOG's)
Attachments Dover-FD-Policy-Operations-Manual-DRAFT-Member-Input.docx

Hi All,

I attached the updated Policy and Operations Manual (new name for SOG's) with all the member input. There was very little feedback from the members but I did incorporate the requests as they were very minor. The biggest change was rewording one of the new code of ethics items regarding alcohol use as it seemed to restrict any use....I agreed and reworded it. Otherwise minor changes.

It should be a quick vote unless you want to go over it in detail at the meeting.

Thanks,

Jim
