Subject: CART Meeting Document

Dear Charles River Public Health District Lead,

Thank you again for your leadership and for the critical efforts by you and all of the members of your Shared Service Arrangement (SSA) in supporting this state-wide public health capacity assessment. We're excited to share with you this Capacity Assessment Results Toolkit (CART), which is attached to this email and linked [here](#) to be reviewed in-depth at your upcoming data review meeting Tuesday, February 28, 2023 10:00 AM-11:30 AM

(<https://us06web.zoom.us/j/88530672011>).

We've provided this to you first and ask that **you distribute this CART to your Shared Service Arrangement members and partners** in advance of the meeting so that participants can review and be prepared to discuss the findings, recommendations, and next steps in detail at the upcoming meeting.

We look forward to the upcoming discussion as well as the work ahead toward strengthening public health across Massachusetts!
