NO HEADACHES WHATSOEVER!

Attached are all the school reports, other than Minuteman, that have come in, just to have them as a group. (They have been renamed to comport with our style.)

I sent Hadley the Regional School Committee and Dover School Committee reports.

As far as I know we are still awaiting the three school financial reports.

Hi Mary,

I don't know how Diane McCrobie has your name as the contact – actually maybe it's at the end of the DTRC Instructions. I'm the one she dealt with all last year, the one who sent her the templates and instructions to return to townreport@doverma.gov (which would have had them come to my personal email as well).

In any case, here's my issue: I need whatever school reports you received already from her. You copied me on one email with attachments that included Community Ed, Chickering School, Public School Enrollments, and DS Middle School – so I have those four and have downloaded them and retitled as necessary. But any other school reports that come in to you, I will need to receive from you! I did get the Dover School Committee report from Liz Grossman in both "boxes" and copied you on my thank you to her. I think that report may be headed to Hadley along with the DSRSC report that you already forwarded to him.

Thanks, and apologies in advance for putting this headache on you!

Kathy

Hello, Diane.

Receipt of the five school files you've attached is acknowledged, thank you very much for the timely submissions!

We'll be ready for the remaining reports to come next week!

Best,

Mary
